DIRECTOR'S MESSAGE

Dear Students,

Congratulations on the publication of yet another in the series of fine Charity yearbooks.

The staff of Caps and Capes can take great pleasure in the realization that they have captured for all time the happy memories of occasions big and small which each student wishes to keep of her school life during the 1960-61 year.

Our best wishes go with our departing graduates, and a fond hope that they will ever strive to maintain their high achievements and to record glorious deeds from hence forward in the book of life.

Sincerely,

Sister Pauline

THE END of a NURSE'S DAY

Seven o'clock and the nurse's work
Was done for another day
She heaved a sort of a tired sigh
And put the charts away.

Then sat for a moment and bowed her head
Over the little white desk,
"I wonder," she said to herself, "after all,
Am I really doing my best?"

Perhaps I could have begun the day
With a brighter cheerier smile
And answered the bells with a "right away,"
Instead of "after a while."

And I might have refrained from that halfway frown,
Although I was busy then,
When that frail little body with pale blue eyes
Kept ringing again and again.

And I might have listened with sweeter grace
To the story of six's woes!
She may be suffering more perhaps -
More than anyone knows.

And I might have spoken a kindlier word
To the heart of that restless boy,
And stopped a moment to help him find
The missing part of his toy.

Or perhaps the patient in eighteen A
Just needed a gentler touch,
There are lots of things I might have done
And it wouldn't have taken much.

She sighed again and brushed a tear
Then whispered praying low,
"Oh God, how can you accept this day
When it has been lacking so."

Then God looked down on the heart, the sigh,
And saw that shining tear
Then sent the angel messenger to
Whisper in the ear, -

Perhaps you could have done better today,
But oh, the Omnipotent One,
Seeing your faults doesn't forget
The beautiful things you've done.

He knows, little nurse, that you love your work
In this big house of sorrow,
So gladly forgives the lack of today
For you will do better tomorrow.

And the nurse looked up with the tenderest smile
"Tomorrow I'll make it right,"
Then added a note in the order book,
"Be good to them tonight."

MRS. MARION DE LA TOUR TRELLES
Former Member of the Faculty

The Lord ruleth me: and I shall want nothing.
He hath set me in a place of pasture.
He hath brought me up, on the water of refreshment.
He hath coverted my soul.
He hath led me on the paths of justice, for his own name's sake.
For though I should walk in the midst of the shadows of death,
I will fear no evils, for thou art with me.
Thy rod and thy staff, they have comforted me.
Thou hast prepared a table before me, against them that afflict me.
Thou hast anointed my head with oil; and my chalice which inebriateth me,
How goodly it is!
And thy mercy will follow me all the days of my life.
And that I may dwell in the house of the Lord, unto the length of days.

Student Council, the governing division of the student body, is composed of duly elected officers and representatives from each class, including the affiliate classes. The Council is a method of student self-government which is granted and supported by the school administration. Weekly meetings are held to consider infractions of regulations with which students are charged, to discuss current problems, and to suggest improvements for the general welfare of the student body. It offers one a true insight into student problems and administration policies. Prestige and respect are given its members as representatives of the student body.
